From the moment I, Andrea Cosimo D'Amicis, revealed myself, the truth emerges and can no longer be hidden!

March 27, 2026

Ladies and gentlemen, your time is up!

Declaration:

Your recognition in reference to me, Andrea Cosimo D'Amicis, is irrelevant and insignificant. The only decisive factor for me is the One who made me His Prophet, that is, my Father God.

Video: Ultimatum!

My dear friends, I want to remind you that no one in the face of death, or rather in the face of the One who conquered death - that is, I, Andrea Cosimo D'Amicis - remains masked.

So do not wait until the last moment, for the truth cannot be deceived; otherwise each of you will have to deal with my Father God, who does not accept jokes or justifications from anyone.

+

Have you forgotten what kind of world you are living in?

1) Didn't understand what world you are in?
Do you know where you are currently?

2) I will answer you thus:
You are all in the world of death.

3) And you will ask me:
Why?

4) I will answer you:
The last time you were here you did not pass the "exam".
You have failed, but now you are repeating "the school year".
You have a new opportunity, which has been given to you by divine compassion, that is, by God's mercy, but you do not know if this will be the last.

5) But you will answer me:
Is there anyone else who is aware of this hidden truth?

6) I will tell you the following:
Yes, but he does not want to confess it, because in case you ask him < in which world > lives, he will say that he is in the world of the living even though he knows that he himself is a dead man who lives to die.

7) But you will ask me:
Why does the one who knows not want to say it?

8) In this case I will answer you as follows:
The one who knows (but denies telling you) is afraid of being unmasked, being himself the cause of the abomination (the opprobrium) present in this unclean world (hunger, thirst, poverty, wars, crime, destruction, disease, pollution, etc ...).

9) But you will ask me:
Why and what advantage does he have?

10) I will answer you:
In order to live in his absolute comfort, he needs and feeds on "others", that is, "the naïve".

11) But you will ask me the following:
What is meant by "the others", i.e. "the naïve"?

12) I will say to you:
"The naïve" are all those who are rendered incapable in the course of their lives of learning this hidden truth, through systematic psychological distraction, used as an educational tool to gain an advantage from those who conceived it.

13) But you will ask me:
What is a "systematic psychological distraction"?

14) I will answer you:
A "systematic psychological distraction" is, in a nutshell, a mental mechanism that leads you to divert attention from something relevant in a repetitive and predictable way, without the person noticing.

15) But then you will ask me:
How long can this "systematic psychological distraction" last

16) I will answer you in this way:
A "systematic psychological distraction" works and lasts as long as it can remain invisible to the person. So its weak point is the risk of being discovered.

17) But you will ask me another question:
So what will the creator of the "systematic psychological distraction" do so that he is not discovered (unmasked)?

18) I will say to you:
In order to prevent it from not being discovered (unmasked), he impoverishes you, he takes away your job, he takes away your food, he separates you from your families and your loved ones, he sends you to die, that is, he kills you.

19) But you will ask me the following:
In what way and in what form?

20) I will say to you:

A) He invents a disease by saying that it was created by God to punish infidels and sinners, but in reality it was he who made it in the laboratory.

B) It obliges you to avoid physical contact with each other to the point of limiting your personal freedom.

C) Then follows a vaccine, or a serum, or an antidote (to kill you but not to heal you).

D) Then he forces you to use a surgical mask (mouth and nose covering) causing you extra effort during inspiration.

E) Propagates pessimistic information based on public insecurity, fears, hatred, unrest and conflict in society (domestic/domestic or foreign/foreign).

F) Plans and implements partial and then total destruction with the use of violence and military force through wars.

G) Compulsory military conscription is introduced to you, taking away your beloved sons and husbands,...

H) ... And if you are lucky, your beloved sons and husbands will return to you mutilated or, as often happens, in a jar of ashes (cinerary urn) together with an identification document, perhaps a cross and a medal of honor for war merit.

I) Then he will show himself "moved" and "regretful" and will bring flowers for those who have been killed or maimed by the war, even if he knows that he is the one who sent them to die.

L) Then he will blame God instead of himself or, even worse, he will come to believe himself an envoy of God or even Jesus Christ.

M) In the end, he together with "his friends", will go to lunch and dinner, and behind your back, among the tears you have shed, they will start laughing; but in truth I tell you that they are already doing it.

21) And you will all ask me the following:
How can all this be avoided or who can stop it?

22) I will say to you:
God, who sees and hears everything and everyone, this time will judge him at the end of his "earthly life", since there are those who have conquered death.

23) And you will ask me:
Who is the one who conquered death and what is his name?

24) And I will answer you:
How can you not know? It is Jesus Christ!
It follows that, since **I have the face and body of Jesus Christ**, I am the Savior who has come to save you.
Therefore, now all of you, this last time, must commit yourselves to getting through the "school year".

25) But you will ask me:

How?

26) I will say to you:
Read and practice everything that is written in my blog (**The Blog for Global Improvement**), and in the end you will be promoted and enter Paradise.

Thank you.
